			EN 71-3 : 1994 Safety of toys : Migration of certain elements
			European Directive 91/338/EEC related to total cadmium content
			European Directive 2005/84/EC related to phtalates content

In lieu of testing and at the request of the client, a documentation review has been done based on the test reports and products provided by the client.

*Based on the test reports provided and product characteristics, it is our opinion that the product has been tested according to the relevant European regulations. Results shown on the test reports are satisfactory. However it is your responsibility to prove that the products placed on the market are identical to that for which a documentation review has been done.*
